To prospective parents and other interested parties,

We have followed the resounding success of Four-Forest Bilingual International School in Luzern with the opening of a second school in the county of Zug. Four-Forest provides children with a first class education in English and German as well as top quality care.

The Pre-School department caters for children from the age of two and is located in idyllic surroundings in the grounds of the Kloster Heiligkreuz in Cham. The Kindergarten and the newly opened Primary School are situated on Adelheid-Page Strasse 1 in Cham. In order to see for yourself how Four-Forest children grow and develop, we would like to invite you to visit our school during the forthcoming **Open Day**.

You are more than welcome to visit both locations, where you will be met by a team of professionals who will give you an insight into what the school has to offer your child. For further information about the school and its team of dedicated individuals, please visit our website www.four-forestschool.ch. We look forward to welcoming you all and personally introducing you to our school.
